STATEMENT OF OBJECTS AND REASONS

Village industries such as spinning and weaving, oil extraction, paddy dehussing, flour grinding, beekeeping, domestic pottery, soap making, rope and ban making, leather tanning and shoe making, carpentry and blacksmithy etc., have been traditionally practised in Himachal Pradesh. These not only meet the day to day necessities of the villagers, but also provide gainful employments to them.

With the passage of time various improvements have come into effect in the methods of production and tool and equipment used in these industries. The Government of India have constituted the Khadi and Village Industries Commission under the Khadi and Village Industries Commission Act, 1956 for speedy and effective development of the Khadi and Village Industries on all India basis. The Commission provides financial as well as technical assistance for development of these industries through Statutory Boards constituted in the States and Union territories.

There is vast scope for development of the Khadi and Village Industries in Himachal Pradesh and as such a Board is required to be constituted for this purpose under a statute. This Bill seeks to meet the above requirement.
